Dear Prospective Sponsor,

The International Association of Emergency Managers, Healthcare Caucus (IAEM-HCC) is excited to announce the *2024 Preconference Symposium*. The symposium will be held on **Sunday, November 17th, 2024** beginning at 8:00am and concluding by 4:00pm in association with the International Association of Emergency Managers (IAEM) Annual Conference in Colorado Springs, Colorado.

The previous symposiums have set a high bar for the opportunities for the healthcare sector to openly share and innovate, to ensure that the healthcare delivery system remains in-tact in the face of disaster. This year, we are requesting your support more than ever to ensure that this event continues to provide the most collaborative opportunity possible.

To date, the IAEM-HCC has over three hundred participating members representing an eclectic and diverse group of stakeholders in the healthcare sector. Each one of our members share the core mission and vision of the IAEM-HCC: *to promote healthcare emergency management, and resolve issues unique to the healthcare sector, on both a National and International scale.*

This world-class event brings together emergency managers from around the globe, who are responsible for emergency management at a healthcare facility, local emergency managers who wish to better integrate healthcare into their plans and procedures, and key stakeholders who have interests in the healthcare setting. This year's symposium reflects the healthcare community's commitment to forward thinking, innovative practices that depend on partnerships and communication.

The IAEM-HCC Symposium is *the* premier opportunity to put your brand in front of emergency management professionals from around the world. By becoming one of the symposium sponsors, you have the chance to reach this quickly growing and exclusive market.

Please complete and return the Sponsorship Form. Don't wait too long, the premier levels are limited.

Feel free to contact our leadership to discuss this opportunity listed on the next page. Thank you in advance for your support, and we look forward to seeing you in Colorado Springs!

Sincerely,

Jason C. Chenault, PhD, CEM
Chair, IAEM-Healthcare Caucus
