

Hi folks, I am throwing my hat in the ring for IAEM-USA Region 2's (R2) President. I am currently the elected vice president of R2 and am also the chair of the national level Children and Disaster Caucus. I am also a member of the Bylaws Committee and have worked on several national task forces for the IAEM-USA. I have been an IAEM member since 2014, and a Certified Emergency Manager® since 2017. If elected, I plan to continue the strategic planning elements we have developed in the Region, and showcase the professional emergency managers and best practices found in New Jersey, New York, Puerto Rico, and the U.S. Virgin Islands.
