

IAEM Region 2

IAEM-USA Region 2 supports the IAEM members in New Jersey, New York, Puerto Rico, and the Virgin Islands and is working to build strong partnerships with the state emergency management associations in the region.

Recent Accomplishments

- Hosted professional development opportunities such as a regional book club and a two-day Project Management for Emergency Managers Workshop
- Increased member support for AEM/CEM candidates and initiated a discount for IAEM members to attend the annual conference
- Established a Region-specific LinkedIn group to support each other's activities and increase discussion amongst our members
- Held quarterly Regional meetings for 350+ Members from all regional states and territories
- Reestablished the bi-annual Region 2 summit
- Continued social opportunities such as happy hours and other member gatherings across the Region
- Rebranded with the first Region 2 challenge coins and logo
- Representation on National Caucuses, National Committees, and Regional Committees
