

EMERGING PROFESSIONALS CAUCUS

Current members include students interested in pursuing a career in emergency management, young professionals in the beginning stages of their emergency management careers, professionals in other fields making the switch to emergency management as a second career, and seasoned professionals in the emergency management field interested in sharing their knowledge with emerging professionals.

OUR MISSION STATEMENT

To provide individuals a forum that allows for their professional advancement in the emergency management field. We accomplish this by fostering connections and relationships throughout the emergency management space, coordinating with the Embark program, other professional development programming and opportunities, and encouraging active involvement throughout IAEM and the emergency management community.

- ✓ Virtual Social Hours & Monthly Meetings
- ✓ Annual IAEM Conference & EMEX In-Person Meetings
- ✓ Job Search & Resume Help
- ✓ EPC Talks, Podcasts, & Much More!
