

# Emerging Technology Caucus

JUST IN!

JOIN US!

## PURPOSE

We research and recommend new and old technology that will impact emergency management processes and disseminate best practices to the broader emergency management community.

## CTC

The Doc Lumpkins Crisis Technology Center (CTC) is a networking lounge and technology lab where Emergency Managers can learn about, interact with, and discuss emerging technology.

## COMMITTEE EFFORTS

### 2024 CTC Talks

- Volt Typhoon
- Essential Next Gen Tech Skills
- AI/Battle Software
- FirstNet Authority

+ More!
